Connor,

Here is the information that I got on the test well for Peninsula Plating. There is no well installation prior to 1999. Our DNREC well records go back to the 1970s so if they installed the well prior to that time then we would not have any records. Let me know if you need anything else related to the test well.

Hey Rick,

I have attached an excel worksheet with data for wells on the requested parcel. Hopefully this helps!

Thank you,

Subject: Blades Groundwater

Sarah,

I am working on the Blades Groundwater Project and EPA has a question on well permits. Could you please email me all the well permits for the following property by next Wednesday-

Peninsula Plating (De-0287)
River Road, Blades
Tax Id- 132-1.15-16.00

I am specifically looking for a well installed prior or during the time period 1992-1995. Please contact me if you need more direction or have any questions. Thanks.
